Tiwi Islands Bird Sculptures

This edition, we are highlighting our exquisite collection of Tiwi bird sculptures. These stunning works are handcrafted by Indigenous artists from the Tiwi Islands, located off the northern coast of Australia. Each bird sculpture is a unique piece, intricately carved from ironwood and painted with natural ochres. The Tiwi people have a deep connection to their environment, and this is beautifully expressed through their art.

Art for Everyone

Welcome to the Australian Art Collective!

We are thrilled to introduce you to the very first edition of our newsletter, where we celebrate the vibrant and diverse art of Australia. At the Australian Art Collective, we are committed to bringing you unique and authentic Australian artworks, with a special focus on Indigenous art. Our platform is dedicated to promoting the rich cultural heritage of Australia's First Nations people, along with contemporary works that reflect the spirit of our land.

Our Vision: The Australian Art Collective was founded on the belief that art has the power to connect people, tell stories, and inspire change. We curate a selection of works that not only captivate the eye but also resonate with the heart. Our mission is to support Australian artists by providing them with a platform to showcase their talents to a broader audience, both locally and internationally.

Thank you for joining us on this journey to discover and celebrate the incredible talent of Australian artists. We look forward to sharing more stories & artwork with you in future editions.

To stay updated on our latest collections and news, be sure to follow us on social media and subscribe to our newsletter.

In each edition of our Newsletter, we are excited to share our experiences and share work from our collection that inspire and excite us with you.
